

Thanks to these
great companies for
their recent job
growth and
investment in
Walker County

The Walker County Development Authority and HTNA Hayashi Telemu recently hosted the Japan America Society of Alabama, "JASA" October Board meeting at the HTNA plant in Jasper. JASA encourages and promotes business, cultural, and educational exchange between the United States and Japan and is one of the thirty eight regional members of the National Association of Japan-America Societies. Board members also toured the Nitto Denko plant while in Jasper. David Knight, Executive Director of the Walker County Development Authority currently serves as a member of the JASA Board and has been selected to serve on the executive committee.
